

CCSK-P - CCSK - Certificate of Cloud Security Knowledge Plus

CSSK - CCSK - Cyber Security

Durata:

2 Giorni

Lingue:

Italiano

Certificazione:

-

Descrizione del corso

The CCSK Plus class builds upon the CCSK Foundation class with expanded material and extensive hands-on activities with a second day of training. Students will learn to apply their knowledge as they perform a series of exercises as they complete a scenario bringing a fictional organization securely into the cloud. This second day of training includes additional lecture, although student's will spend most of their time assessing, building, and securing a cloud infrastructure during the exercises Corso erogato in collaborazione con CSA Cloud Security Alliance Italy

Programma

1. Manage REST Data Sources
